COLLEGE OF ENGINEERING, BANGALORE.

Notification dated 14*th December* 1939.

The following books in the College of Engineering, Bangalore, will be sold by public auction on Saturday the 13th January 1940. The auction sale will commence at 10 A.M. and will be conducted in the College quadrangle.

The terms and conditions of auction sale will be as follows :—

(1) The books will be knocked down to the highest bidder, and in the event of any dispute arising between two or more bidders at the same price, the books shall be put up again and resold.

(2) The sale amount should be paid immediately. In case it could not be paid immediately, a deposit of 25 per cent of the amount should be recovered from the successful bidder immediately the books are knocked down in his favour and such deposits shall be treated as forfeited to Government in case of any default to pay the full purchase money within 24 hours of the sale.

(3) Cash should be paid in full for books purchased by bidders before delivery and the books will not be allowed to be removed from the place of auction until after the close of the sale.

(4) In case of default of payment of the whole or any portion of the purchase amount by the bidder, the books will be resold and the bidder will be liable to any loss incurred thereby. The bidder will be also liable to make good to Government any loss incurred thereby without having the right to participate in any excess realised.

(4) All books purchased will be at the risk of the purchasers thereof from the time of sale.

(6) All books should be accepted with faults and errors of all description as sold.

(7) The successful bidder must remove the books within 24 hours after his bid has been accepted.

(8) The officer conducting the sale may not accept the highest bid if the bid offered is not a reasonable value of the books.
